

## 2017 CVU FOOTBALL VOLUNTEER OPPORTUNITIES

*As of June 1, 2017*

The CVU Football Boosters play an important role in helping CVU Football's student-athletes have a positive experience with the program and succeed both on and off the football field. We support our teams, coaches and CVU Athletics through donations of time and financial resources.

While head coach salaries, field and safety equipment (including uniforms), transportation, and coaching clinics and training are funded through CVU Athletics' modest budget, the Boosters strive to raise at least \$35,000 annually to fund the remainder of the program's expenses. Yearly costs include stipends for the assistant coaches (\$10,000), supplemental equipment and resources for coaches and players (\$8,000), the annual banquet (\$3,500), accounts such as Hudl (\$3,000), spirit packs for each player (\$3,000), player meals (\$1,000), and much, much more!

The Booster Board is appointed annually and serves for a full calendar year. Board activities typically begin in February of each year and wind down after the annual banquet in November. The Board is supported by members-at-large who serve in both service and fundraising coordinator activities. This year's board is:

Tanya Marshall, President  
Lucas Jenson, Treasurer  
Donna Rivers, Member  
Carrie Harlow, Member  
Kit Antinozzi, Member
