

2018 CVU FOOTBALL VOLUNTEER OPPORTUNITIES

As of July 1, 2018

The CVU Football Boosters play an important role in helping CVU Football's student-athletes have a positive experience with the program and succeed both on and off the football field. We support our teams, coaches and CVU Athletics through donations of time and financial resources.

While head coach salaries, field and safety equipment (including uniforms), transportation, and coaching clinics and training are funded through CVU Athletics' modest budget, the Boosters strive to raise at least \$25,000 annually to fund the remainder of the program's expenses. Yearly costs include stipends for assistant coaches (\$9,000), supplemental equipment and resources for coaches and players (\$4,000), the annual award banquet/ceremony, player scholarship and awards (\$3,500), spirit packs for each player (\$3,000), accounts such as Hudl and OneCall Now (\$2,000), away game travel meals for coaches, players and staff (\$1,000), and much, much more!

The Booster Board is appointed annually and serves for a full calendar year. Board activities typically begin in February of each year and wind down after the annual banquet in November. The Board is supported by members-at-large who serve in both service and fundraising coordinator activities. This year's board is:

Tanya Marshall, President
Lucas Jenson, Treasurer
Brandi Cote, Member
Tara Murphy, Member
Tammy Wetmore, Member
